

Applications for Telstra's Kids Fund grants will be considered in the order that they are received. In the granting round open 5 December, 2011, priority will be given to applications where the organisation for which funding is sought is in a community directly impacted by disaster from December 2010 to June 2011, according to Telstra's Customer and Community Disaster Relief Policy.

This document provides a list of impacted areas according to Telstra's Customer and Community Disaster Relief Policy.

Eligible areas, suburbs, events and time periods are identified in the following tables.
